B.A. LL.B.
(Integrated 5 Year Course)
School of Law

Effective from Academic Year 2024-25

Program Structure

Vision and Mission of Program:

Vision:

To establish an institute globally known for excellence in legal education through blended mode of theory and practical learning to produce socially sensitive and morally sound future legal fraternity

Mission:

- To design Curriculum which is comparable with elite Indian institutes and has international understanding.
- To provide state of the art infrastructure and faculty which has professional experience blended with excellent academic performance
- To create self-sustaining base for experimental learning through mooted practices, drafting & pleading, theme-based internship & industrial visits.

Program Educational Objectives:

Here are some possible Program Educational Objectives (PEOs) for a B.A. LL. B

- **PEO 1-**To make graduates of the B.A LL.B. Program capable of contributing towards Nation's development agenda through their ability to solve diverse and complex legal issues
- **PEO 2-**To transform graduates of the B.A. LL.B. Program into successful legal fraternity for handling legal issues, by developing legal skills in core areas such as Constitutional laws, Civil Laws, criminal laws and business laws
- **PEO 3-**To equip graduates of the B.A LL. B Program with essence of responsibility to serve the society through their professional skills in advocacy, judicial and other legal services

Program Outcome

Here are some possible Program Outcomes (POs) for B.A. LL.B. program:

PO-1	To make awareness about Constitutional legislative & societal transformation in society & to develop clinical abilities.
PO-2	To acquire & apply legal knowledge to the complex Socio-legal problems.
PO-3	Interpreting and analyzing the legal, economic and social problems with its most Probable and relevant solutions too.

PO-4	Understanding the ethical, social, political and economic context in which the Basic concepts, values, principles and rules of the Legal System are competing.
PO-5	Inculcating the sense of responsibility and values of Rights and Duties, and Application of these values in real life through legal and judicial orders for promoting community welfare.
PO-6	Adopting ethical principles of legal profession and exploring the professional responsibilities
PO-7	Analyzing the impact of legal remedies in societal and environmental contexts and demonstrating the knowledge of and need for sustainable development.
PO-8	Developing ability to engage in life-long learning in the broader context of legal change.
PO-9	Exploring the substantive & Procedural laws as well as an understanding of the Legislative frame work.
PO-10	Demonstrating the advocacy skill before various judicial and non-judicial forums With effective communication.

Program Specific Outcomes

PSO-1	Should be able to Demonstrate understanding of substantive and procedural law sufficient to enter the legal profession and professions in which legal knowledge is an advantage.
PSO-2	Should have the capability to understand the laws at national and global level and to solve the client's problem
PSO-3	Developing the skill of drafting & pleading in the prescribed formats with clarity in language.
PSO-4	Developing skills of Collaboration, Negotiation, counseling and other ADR (Alternative Dispute Resolution) techniques for the ethical implementation of law.
PSO-5	Understanding the standards of conduct involved in practice of law and demonstrate values of legal profession.
PSO-6	Analyzing, synthesizing, and disseminating current judgments of Higher courts in Order to relate prevailing laws.

PSO-7	Understanding Indian legal frame work, laws and connected rules & regulations.
PSO-8	Understanding Social, Political, Legal and Economic concepts, Legal theories, Environmental law in reference of existing legal system.

Name of the Program		BA LLB		Semester: I		Level: UG	
Course Name		Law of torts including Motor Vehicle Act and Consumer Protection Act		Course Code/Course Type		LL 105/DSC	
Course Pattern		2024		Version		1.0	
Teaching Scheme				Assessment Scheme			
Theory	Practical	Tutorial	Total Credits	Hours	CIA (Continuous Internal Assessment)	ESA (End Semester Assessment)	Practical/ Oral
3			3	3	40	60	
Pre-Requisite		Nil					
Course Objectives(CO):				<ol style="list-style-type: none"> To provide students with a comprehensive understanding of the foundational principles, concepts, and legal theories that underpin the law of torts. To equip students with the ability to identify and distinguish various torts, such as negligence, defamation, nuisance, trespass, and strict liability. To enable students to critically assess the legal basis for liability in torts and the various defenses available to defendants, such as consent, self-defense, and necessity. To foster students' ability to apply tort law principles to real-life scenarios and cases, preparing them for practical legal problem-solving and advocacy. To encourage students to develop their research skills in the area of tort law, helping them to analyze case law, statutes, and legal precedents while developing effective legal writing techniques. 			
Course Learning Outcomes (CLO):				<ol style="list-style-type: none"> Explain the evolution, definition, and scope of tort law in India and England, and distinguish torts from crimes and breaches of contract Apply the principles of tortious liability including negligence, vicarious liability, and strict liability to factual scenarios Analyze legal defenses and justifications in torts such as volenti non fit injuria, act of God, and statutory authority. Evaluate remedies available in tort law including damages, injunctions, and restitution, considering the concepts of remoteness and foreseeability. 			

5. Formulate legal arguments and provide reasoned opinions on contemporary tort-related issues under the Consumer Protection Act and the Motor Vehicles Act

Course Contents/Syllabus:

(All the units carry equal weightage in Summative Assessment and equal engagement)

Descriptors/Topics	CLOs	Hrs.
Unit I 1. Evolution of Law of Torts <ul style="list-style-type: none"> • England- forms of action- specific remedies from case to case. • India- principles of justice, equity and good conscience- uncodified character-advantages and disadvantages 2. Definition, Nature, Scope and Objects <ul style="list-style-type: none"> • A wrongful act- violation of duty imposed by law, duty which is owed to people generally (in rem)- damnum sine injuria and injuria sine damnum. • Tort distinguished from crime and breach of contract • The concept of unliquidated damages. • Changing scope of law of torts: expanding character of duties owed to people generally due to complexities of modern society. • Objects- prescribing standards of human conduct, redressal of wrongs by payment of compensation, prescribing unlawful conduct by injunction 	CLO 1,5	9
Unit II: 1. Principles of Liability in Torts: <ul style="list-style-type: none"> • Fault • Wrongful intent • Negligence • Liability without fault • Statutory liability • Place of motive in torts 2. Justification in Tort <ul style="list-style-type: none"> • Volenti non fit injuria • Necessity, private and public • Plaintiff's default • Act of God • Inevitable accident • Private defense • Statutory authority • Judicial and quasi-judicial acts. • Parental and quasi-parental authority. 	CLO 2,5	9
3. Extinguishment of liability in certain situations: <ul style="list-style-type: none"> • Actio personalis moritur cum persona- exceptions • Waiver and acquiescence • Release • Accord and satisfaction 		

[Handwritten signature]

• Limitation		
Unit III:		

<p>1. Doctrine of sovereign immunity and its relevance in India</p> <p>2. Vicarious Liability</p> <ul style="list-style-type: none"> • Basis, scope and justification • Express authorization • Ratification • Master and servant- arising out of and in the course of employment- who is master? the control test. • who is servant? - borrowed servant- independent contractor and servant, distinguished. <ul style="list-style-type: none"> • Principal and agent 	CLO 5	9
<p>Unit IV:</p>	CLO 3,5	9
<p>1. Torts against persons and personal relations</p> <ul style="list-style-type: none"> • Assault, battery, mayhem • False imprisonment • Defamation- libel, slander including law relating to privileges • Malicious prosecution • Nervous shock <p>2. Wrongs affecting property</p> <ul style="list-style-type: none"> • Trespass to land, trespass ab initio, dispossession Movable property- trespass to goods, detinue, conversion. • Torts against business interests- injurious falsehood, misstatements, passing off. <p>3. Negligence</p> <ul style="list-style-type: none"> • Basic concepts • Theories of negligence • Standards of care, duty to take care, carelessness, inadvertence • Doctrine of contributory negligence • Res Ipsa loquitor • Liability due to negligence: different professionals <p>4. Nuisance</p> <ul style="list-style-type: none"> • Definition, essential and types • Acts which constitute nuisance- obstructions of highways, pollution of air, water, noise, and interference with light and air <p>5. Absolute Liability and Strict liability</p> <ul style="list-style-type: none"> • The rule in Rylands v. Fletcher • Liability for harm caused by inherently dangerous industries <p>5. Legal remedies</p> <ul style="list-style-type: none"> • Legal remedies: • Award of damages- simple, special, punitive • Remoteness of damage-foreseeability and directness • Injunction • Specific restitution of property 		

Unit V:	CLO 4,5	9
Consumer Protection Act <ul style="list-style-type: none">• Consumer definition and concept• Contract of service and contract for service• Consumer Protection Council-• Central Consumer Protection Authority• Consumer Dispute Redressal Commission- District Consumer Protection Council• State Consumer Disputes Redressal Commission• National Consumer Disputes Redressal Commission• Mediation• Offences and Penalties Motor Vehicle Act <ul style="list-style-type: none">• Introduction of Motor Vehicle Act• Licensing of Drivers of Motor Vehicles• Liability Without Fault in Certain Cases• Insurance of Motor Vehicles Against Third party Risks• Offences, Penalties
