**Syllabus for LL.B. Programme
(Pattern-2024)**

School of Law

Effective from Academic Year 2024-25

Program Structure

Vision and Mission of Program:

Vision:

To establish an institute globally known for excellence in legal education through blended mode of theory and practical learning to produce socially sensitive and morally sound future legal fraternity

Mission:

- > To design Curriculum which is comparable with elite Indian institutes and has international understanding.
- > To provide state of the art infrastructure and faculty which has professional experience blended with excellent academic performance
- > To create self-sustaining base for experimental learning through mooting practices, drafting & pleading, theme-based internship & industrial visits.

Program Educational Objectives:

Here are some possible Program Educational Objectives (PEOs) for LL.B. Three-Years Program:

- > PEO 1- To make graduates of the LL.B. Program capable of contributing towards Nations development agenda through their ability to solve diverse and complex legal issues.
- > PEO 2- To transform graduates of the LL.B. Program into successful legal fraternity for handling legal issues, by developing legal skills in core areas such as Constitutional laws, Civil Laws, criminal laws and business laws.
- > PEO 3- To equip graduates of the LL. B Program with essence of responsibility to serve the society through their professional skills in advocacy, judicial and other legal services

Program Outcome

Here are Program Outcomes (POs) for LL. B. program

PO-1	Exploring the substantive & Procedural laws as well as an understanding of the Legislative frame work.
------	--

PO-2	Demonstrating the advocacy skill before various judicial and non-judicial forums With effective communication.
PO-3	Interpreting and analyzing the legal, economic and social problems with its most Probable and relevant solutions too.
PO-4	Understanding the ethical, social, political and economic context in which the Basic concepts, values, principles and rules of the Legal System are competing.
PO-5	Inculcating the sense of responsibility and values of Rights and Duties, and Application of these values in real life through legal and judicial orders for promoting community welfare.
PO-6	Adopting ethical principles of legal profession and exploring the professional responsibilities
PO-7	Analyzing the impact of legal remedies in societal and environmental contexts and demonstrating the knowledge of and need for sustainable development.
PO-8	Developing ability to engage in life-long learning in the broader context of legal change.

Program Specific Outcomes

The learning and abilities or skills that a student would develop by the end of **LL.B. Three-Years Program**:

PSO-1	Understanding Social, Political, Legal and Economic concepts, Legal theories, Environmental law in reference of existing legal system.
PSO-2	Understanding Indian legal frame work, laws and connected rules & regulations.
PSO-3	Developing the skill of drafting & pleading in the prescribed formats with clarity in language.
PSO-4	Developing skills of Collaboration, Negotiation, counseling and other ADR(Alternative Dispute Resolution) techniques for the ethical implementation of law.
PSO-5	Understanding the standards of conduct involved in practice of law and demonstrate values of legal profession.
PSO-6	Analyzing, synthesizing, and disseminating current judgments of Higher courts inOrder to relate prevailing laws.

3	-	-	3	3	40	60	-
Pre-Requisite:		Nil					
Course Objectives(CO):				<ol style="list-style-type: none"> 1. Introduce students to the fundamental principles of contract law, including formation, enforceability, and performance of contracts. 2. To provide students with the ability to identify and evaluate the essential elements of a valid contract such as offer, acceptance, consideration, and the intention to create legal relations. 3. To familiarize students with concepts such as capacity to contract, consent, and the defenses to contract enforcement, including undue influence, duress, and misrepresentation. 4. To equip students with practical skills in applying contract law to real-life situations and drafting legally sound contracts for commercial, personal, and business contexts. 5. To familiarizes students with concepts such as capacity to contract, consent, and the defenses to contract enforcement, including undue influence, duress, and misrepresentation 			

Course Learning Outcome

1. Explain the fundamental principles of contract law including proposal, acceptance, consideration, and capacity to contract, and describe the evolution of contractual obligations.
2. Apply contract law principles to analyze the validity of agreements and assess the enforceability of contracts involving minors, unlawful objects, and vitiated consent.
3. Analyze the role of free consent, misrepresentation, fraud, and mistake in determining the legality and enforceability of contracts.
4. Evaluate remedies such as damages, specific performance, and injunctions available for breach or non-performance of contracts and assess the impact of frustration and discharge.
5. Construct legal arguments and draft reasoned opinions on complex contractual scenarios involving quasi-contracts, unjust enrichment, and equitable reliefs under the Specific Relief Act.

CourseObjectives(CO):

- 1. Understanding Child and Juvenile Rights:** To provide an in-depth understanding of the legal framework protecting the rights of children and juveniles in India.
- 2. Analyzing Offences Against Children:** To explore the nature, scope, and categories of offences against children, including child abuse, exploitation, and neglect.
- 3. Examining Juvenile Justice Mechanisms:** To study the provisions and procedures under the Juvenile Justice (Care and Protection of Children) Act, 2015, and other relevant laws.
- 4. Promoting Child Protection Measures:** To assess national and international child protection mechanisms and policies aimed at preventing offences against children and juveniles.
- 5. Developing Skills for Advocacy and Reform:** To prepare students for advocacy roles, enabling them to contribute to the reform and implementation of laws protecting children and juveniles.

AGD.

Course Learning Outcomes (CLO):

- CLO 1: Identify Legal Rights and Frameworks for Children:** Students will be able to explain the rights of children and the legislative framework established to protect these rights in India.
- CLO 2: Analyze and Categorize Offences Against Children:** Students will demonstrate the ability to identify and categorize offences such as child abuse, child labor, and trafficking, and analyze their legal implications.
- CLO 3: Interpret Provisions of Juvenile Justice Law:** Students will interpret and apply the key provisions of the Juvenile Justice (Care and Protection of Children) Act, 2015, to real-world scenarios.
- CLO 4: Evaluate the Effectiveness of Protection Mechanisms:** Students will critically evaluate the efficacy of child protection policies and suggest improvements in existing systems.
- CLO 5: Advocate for Legal and Policy Reforms:** Students will develop skills to advocate for the rights of children and juveniles and contribute to policy and legal reforms for their protection and welfare.

CourseObjectives(CO):

- 1. Understanding the Historical Evolution of Law:** To provide a comprehensive overview of the development of legal and constitutional systems in India from ancient to modern times.
- 2. Analyzing Colonial Legal Developments:** To examine the impact of British colonial rule on the Indian legal and constitutional framework.
- 3. Exploring Constitutional Milestones:** To study the key milestones in the development of constitutional governance in India, including significant acts, reforms, and events.
- 4. Developing Critical Perspectives:** To foster critical thinking by analyzing the socio-political factors that influenced legal and constitutional changes over time.
- 5. Connecting History with Contemporary Legal Issues:** To enable students to draw connections between historical legal developments and contemporary constitutional debates and challenges.

Course Learning Outcomes (CLO):

CLO 1: Explain the Evolution of Indian Legal Systems:
Students will be able to describe the historical evolution of legal systems in India and their foundational principles.

CLO 2: Analyze the Impact of Colonial Rule on Indian Law:

Students will critically assess how British colonial policies shaped India's legal and constitutional systems.

CLO 3: Evaluate Key Constitutional Developments:

Students will demonstrate the ability to analyze significant constitutional events and documents, such as the Government of India Acts and the Indian Independence Act.

CLO 4: Discuss the Role of Socio-Political Influences:

Students will evaluate the socio-political and cultural factors that contributed to shaping India's legal and constitutional frameworks.

CLO 5: Relate Historical Context to Modern Legal Issues:

Students will apply historical insights to understand and critically analyze contemporary constitutional challenges and legal reforms.

Teaching Scheme					Assessment Scheme		
Theory	Practical	Tutorial	Total Credits	Hours	CIA (Continuous Internal Assessment)	ESA(End Semester Assessment)	Practical/ Oral
4	-	-	4	4	40	60	-

Course Objectives(CO):

- 1. Understanding the Fundamentals of Evidence Law:**
To provide students with a comprehensive understanding of the principles, definitions, and scope of the Bharatiya Sakshya Adhinyam, 2023.
- 2. Exploring Types and Relevance of Evidence:**
To familiarize students with different types of evidence, their admissibility, and their relevance in judicial proceedings.
- 3. Analyzing Procedural Aspects:** To develop an understanding of the procedural rules related to the collection, presentation, and evaluation of evidence.
- 4. Application of Evidence Law:**
To enable students to apply principles of evidence law to practical and hypothetical legal scenarios, ensuring fair and just outcomes.
- 5. Critical Examination of Evidence Law:** To cultivate critical thinking and the ability to analyze the effectiveness of evidence law in the administration of justice.

Course Learning Outcomes (CLO):

CLO 1: Explain Key Concepts of Evidence Law:
Students will be able to describe the fundamental principles and provisions of the Bharatiya Sakshya Adhiniyam, 2023.

CLO 2: Distinguish Types and Relevance of Evidence:
Students will demonstrate the ability to differentiate between primary and secondary evidence, direct and circumstantial evidence, and their roles in legal proceedings.

CLO 3: Interpret Procedural Rules of Evidence:
Students will analyze procedural aspects such as the burden of proof, presumptions, and rules of admissibility under the Bharatiya Sakshya Adhiniyam, 2023.

CLO 4: Apply Evidence Law to Case Studies:
Students will apply the provisions of the Bharatiya Sakshya Adhiniyam, 2023 to real and hypothetical legal cases to assess admissibility, relevance, and sufficiency of evidence.

CLO 5: Critically Evaluate the Role of Evidence Law:
Students will critically examine the role of evidence law in ensuring justice and suggest reforms for improving its implementation and effectiveness.
